Climate goals and quantifications from a Public Administration Perspective

EMMA EK ÖSTERBERG, ASSOCIATE PROFESSOR IN PUBLIC ADMINISTRATION

Three takeaways from public administration research

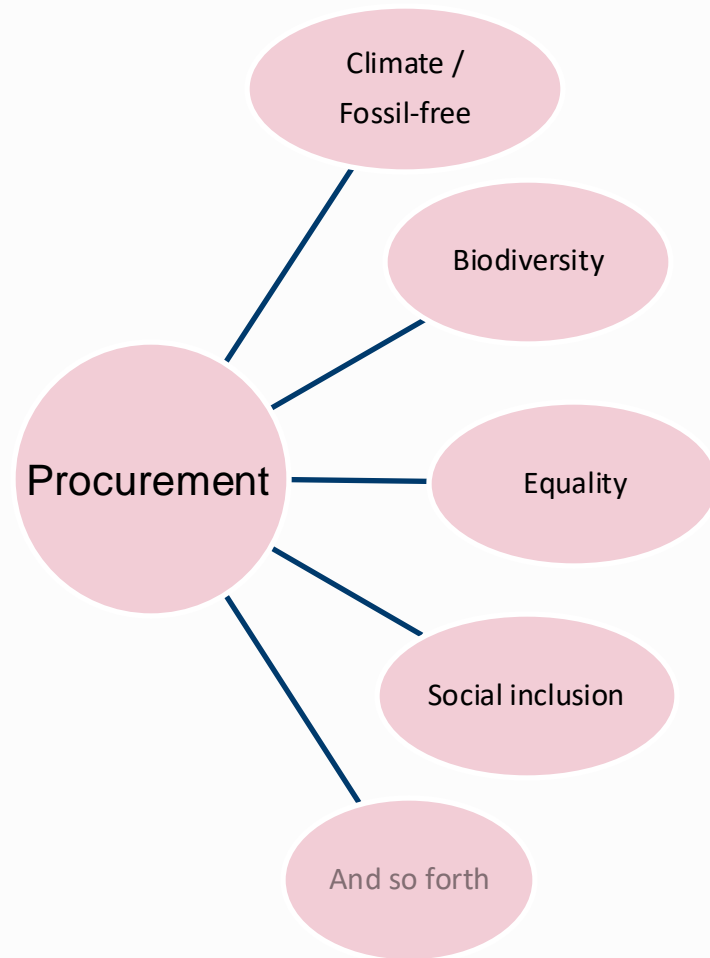

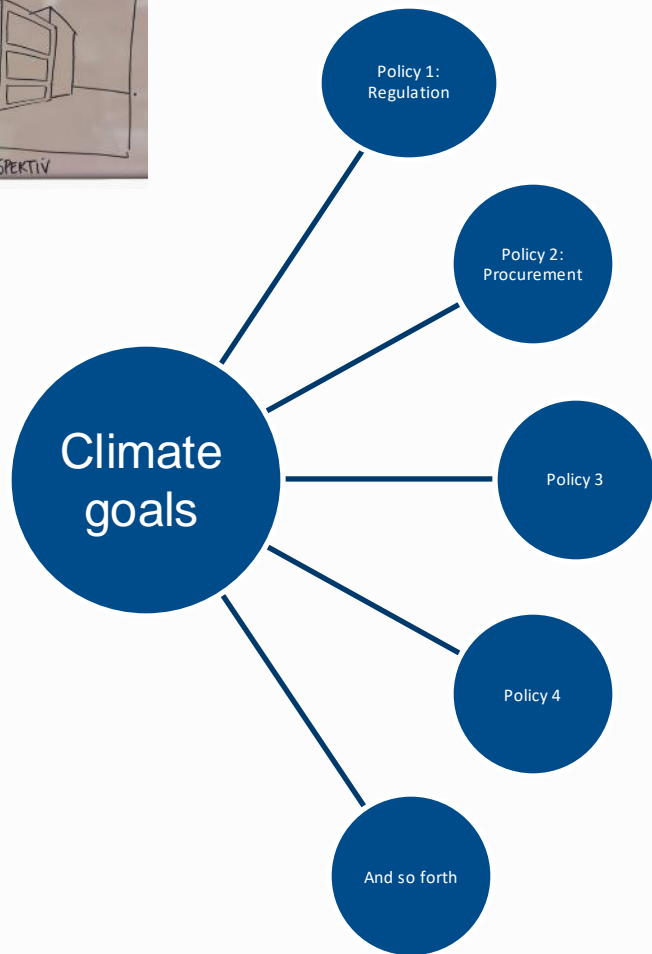

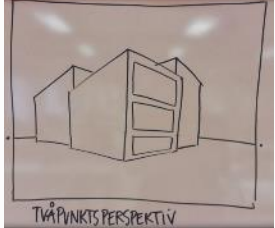

Guide (with) Public Procurement

- Connecting
- Development stages
- "Public value"

Picture: from Grandia & Volker 2023

- Policies are not neutral
- Performativity
- Governance through organization
- Simple and complex

Numbers and caution

- Measure to:
 - know?
 - guide?
 - justify?
 - persuade?
 - Exercise power?
 -
- *Knowing without measuring?*

- Goal rationality and value rationality
- Perspective and different kinds of complexity
- The magic of numbers and the importance of reflection

Thank you very much for your attention!
